

IMPORTANT INFORMATION BEWARE OF FRAUDULENT MILLENNIUM HOTELS AND RESORTS RECRUITMENT ACTIVITY

Fraudulent recruitment activity is becoming more sophisticated fraud and may apply to a range of scenarios.

This type of fraud can be done through online services such as bogus websites with fraudulent domain name URLs, such as:

- www.millenniumhotelresort.com
- www.millenniumhotelresorts.com
- www.millenniumhotelsplc.co.uk
- or via bogus e-mail addresses such as name@millenniumhotelsplc.co.uk.

When a person clicks on to the fraudulent URL, he or she may be directed to a website which contains elements of the legitimate Millennium Hotels and Resorts (MHR) website and these fraudulent URLs offer false opportunities with MHR.

HOW TO IDENTIFY FRAUD

- The MHR name and logo is often featured on the documentation without authority.
- There is an early request for personal information or payment.
- Candidates are requested to contact other companies/ individuals such as lawyers, bank officials, travel agencies, courier companies, visa/immigration processing agencies etc.
- E-mail correspondence is often sent from (or to) free web-based e-mail accounts such as Yahoo.com, Yahoo.co.uk, Gmail.com, Goglegmail.com, Live.com etc.
- The perpetrators frequently use mobile or platform telephone numbers beginning with +44(0)70 instead of official company numbers.
- The perpetrators may even offer to pay a large percentage of the fees requested, ask the candidate to pay the remaining amount, or wish to purchase in quantity and bill back to the company.
- There is an insistence on urgency.
