DEAR GUEST,

Since opening in 2012, Le Chinois Restaurant and Bar has offered guests an exquisite and unique dining experience, with sophisticated and contemporary culinary creations. The restaurant showcases Cantonese lifestyle and art, and celebrates the traditional flavors of the East.

Just a few months after the restaurant was opened, Le Chinois was awarded prestigious AA Rosettes and Head Chef, Anthony Kong and his team are working hard to gain further recognition and accolades for their skills and culinary excellence.

Fitting with the Asian culture, our à la carte menu is designed with sharing in mind. We suggest that you share dishes amongst your friends and companions, and embrace this custom as well.

Le Chinois Restaurant and Bar offers the ideal venue for a private event or celebration. Choose the semi-private dining area, which allows you to enjoy the atmosphere of the main dining room whilst tucked away behind light curtains, or one of the private rooms, which can seat up to 12 people and offers the flexibility to be combined into a larger private dining room for 22 diners. Please speak to a member of the team for more information.

We hope that you have a memorable meal with us and please do not hesitate to let us know if there is anything that we can do to make your visit more enjoyable, or if you require any menu advice or recommendations.

Enjoy your dining experience,

Anthony Kong
