MILLENNIUM HOTELS AND RESORTS CAGE-FREE EGG STATEMENT

London, 5th December 2018 - Millennium Hotels and Resorts is dedicated to addressing key issues throughout its business and supply chain, including the ethical and sustainable sourcing of food. We are fully supportive of the industry movement towards cage-free eggs, as highlighted by The Humane League's campaign, and we are committed to our goal to eliminate caged eggs from our UK supply chain entirely by 2020.

Furthermore, Millennium Hotels and Resorts only works with suppliers that already have policies in place demonstrating their commitment to using exclusively cage-free eggs throughout their supply chains and they share the same vision to source food products both responsibly and ethically.

Franck Kermarrec, Senior Vice President - Brand Marketing at Millennium Hotels and Resorts commented: "As a leading hospitality group with a global footprint, we are fully aware of the considerable impact we can make in our industry. Our dedication to sustainable food practices is something that we take great pride in, as demonstrated by our commitment to the responsible sourcing of cage-free eggs. Our commitment to positive change, not only for environmental reasons but also to ensure we are providing our guests with products of utmost quality, is, and will continue to be, a huge priority for us."
